Nectar gets lots of honey.
All the bees love her.
One day, Nectar flew to the flowers.
She had a small bucket.
She wanted honey.

Nectar felt sad.
She sat on a lily.
"I don't want to go back," she
thought.
"No one loves me."

One day, a little kitten was playing. The kitten saw a butterfly. The butterfly was so pretty.

"I can help you."
"Follow me," said the dog.
He led the way through
the grass.
