For the little readers who follow
Allah's path with patience,
learn good lessons, and
want to become good people!

Long ago, in Arabia, there lived a wise man named Luqman. He was known everywhere for his great wisdom and knowledge of Islam.

Lugman the Wise said, "My dear son, nothing is hidden from Allah. Even a tiny seed inside a rock—He can bring it out. Whether it is in the sky or deep in the earth, Allah knows everything. He is strong and kind."
